Palm City DUI Checkpoint Nets Two Arrests

On January 20, 2012 the San Diego Police Department (SDPD) conducted a DUI checkpoint in the 1800 block of Palm Avenue in the Palm City community. The checkpoint was made possible by a UC Berkeley "DUI Mini Grant."

The checkpoint was operational from 2220 to 0200 hours. 727 vehicles passed through the checkpoint, and 592 of those vehicles were screened. Of those, 10 motorists were detained for a further evaluation of their sobriety. One arrest was made for DUI in the checkpoint, and one DUI arrest was made near the checkpoint. Two vehicle impounds were also conducted.

"The message is simple, ***Drive Sober or Get Pulled Over***. Drinking alcohol and driving do not mix. If you plan to consume alcohol, you should also plan not to get behind the wheel of a vehicle or ride a motorcycle," said Officer Mark McCullough.

Officer McCullough recommends these simple tips for a safe holiday season:

- Plan a safe way home before the festivities begin;
- Before drinking, designate a sober driver and leave your car keys at home;
- If you're impaired, use a taxi, call a sober friend or family member, or use public transportation;
- If you happen to see a drunk driver on the road, don't hesitate to contact your local law enforcement - Call 911; and
- remember, "RUOK?" is a ridiculous question. If you think they've had too much to drink, they probably have. Help him or her make other arrangements to get home safely.

The national ***Drive Sober or Get Pulled Over*** crackdown is led by the California Office of Traffic Safety (OTS) and NHTSA, with the California Avoid DUI Task Force Campaign, combining high-visibility enforcement and heightened public awareness through publicity.
